Contacto  
Sonae Young Talent Program

Are you ready to discover why Sonae's Contacto Program is tailor-made for you?

If you're young, bold, and driven, now is the perfect time to channel your curiosity into a meaningful and fulfilling career.

Contacto is a **9-month Young Talent Program** offering multiple areas for you to choose from, including **commercial, IT, marketing, strategy, business intelligence, data analytics, engineering**, and more.

To be eligible, **you should have completed your bachelor's or master's degree by September 2024**, the onboarding month. Additionally, **you should not have worked for more than 2 years after completing your academic studies**, excluding curricular or academic internships. Lastly, **you should be comfortable speaking English**, but other languages are valued too!

If you're ready to embrace the challenge and take ownership of your journey, it's time to apply: <https://bit.ly/48KCtcB>
